### **Victim:**

Hussain Saeed Alnahdi

### **Update:**

Over the past twenty days the Menomonie Police Department (MPD) along with our partnering agencies diligently investigated the circumstances surrounding Hussain Alnahdi's death. The investigation included interviews of persons out-of-state and examinations of various evidence. Through the course of the investigation the MPD hasn't found any evidence that would suggest the death of Hussain Alnahdi was a hate crime. Additionally, the MPD developed a suspect. The MPD confirmed the suspect is neither a University of Wisconsin-Stout student or a resident of Dunn County. On November 18, 2016, the MPD sent the investigative findings to the Dunn County District Attorney's Office for charges. The name of the suspect is being withheld pending a charging decision from the Dunn County District Attorney's Office.

The investigation is still ongoing and the MPD asks that if anyone has any information relating to this incident to please contact Investigator Kelly Pollock at 715-231-8511. Furthermore, we appreciate the public's continued assistance, patience, and support with this death investigation.
